SKILLS

Print and graphic work in
Illustrator, Photoshop
and Indesign.

Animation, motion, and editing
created in After Effects,
Premiere and
occasionally Procreate.

Screen design and prototyping
with Xd, Figma, or Sketch,
although I haven't used Sketch
in a while.

Web programming with HTML,
CSS, and Javascript.

LEARNING

I'm currently trying to get a
better handle on javascript.
That stuff is tough.

JEREMY GARCIA DESIGNS FREELANCE DESIGN

CURRENT - SINCE 2013

Freelance work including
custom illustration, branding,
album covers, motion,
prototyping, screen design,
and more.

THE COLLECTED WORKS

GRAPHIC DESIGNER

JAN - MARCH 2020

This is a studio that is rooted
in music, art, and technology.
We designed logos and identity
work along with interactive
web work. One of the highlights
was creating the identity for
The National's new tour. It is a
great studio, but my time was
cut short by Covid-19.

GUGGENHEIM MUSEUM

CONTRACT DESIGNER

SUMMER 2019

I worked with the design team
to implement summer branding
and gave design support
for the exhibit release of
Basquiat's "Defacement": The
Untold Story.

APPLICANT PRO

USER INTERFACE DESIGN

2017 - 2019

Designed prototypes,
conducted user tests, and
worked with developers to
implement designs.

RUMPLE

SENIOR DESIGNER

2015 - 2017

I developed brand guidelines
and illustrations. I also worked
on the core CRM product.
