SKILLS & TOOLS
Print and graphic work in
Illustrator, Photoshop,
and Indesign.

Animation, motion, and editing
created in After Effects,
Premiere, and
occasionally Procreate.

Screen design and prototyping
with Xd, Figma, or Sketch.

Web programming with HTML,
CSS, and Javascript.

READING
Where the Crawdads Sing
by Delia Owens

LISTENING TO
Punisher
by Phoebe Bridgers

LEARNING
I'm currently trying to get a
better handle on Javascript.
That stuff is tough.

Experience

JEREMY GARCIA DESIGNS
FREELANCE DESIGN
2013 - CURRENT
I work with brands and
companies creating illustration,
identity, motion, prototyping,
screen design, interaction work
and more.

THE COLLECTED WORKS (NYC)
SENIOR DESIGNER
JAN - MARCH 2020
TCW is a studio that is rooted
in music, art, and technology.
We designed logos and identity
work along with interactive web
work. One of the highlights was
creating the identity for The
National's new tour. It is a great
studio, unfortunately my time
was cut short there by Covid-19.

GUGGENHEIM MUSEUM (NYC)
CONTRACT DESIGNER
SUMMER 2019
I worked with the design team
to implement summer branding
and gave design support for
the exhibit release of *Basquiat's
"Defacement": The Untold Story.*

APPLICANT PRO (UT)
USER INTERFACE DESIGNER
2017 - 2019
I designed prototypes,
conducted user tests, and
worked with developers to
implement designs.

RUMPLE (UT)
INTERACTION DESIGNER
2015 - 2017
I developed the brand and web
touch points. I also worked on
the core CRM product.

Education

SCHOOL OF VISUAL ARTS (NYC)
Master of Fine Arts in Design
Class of 2020

DIXIE STATE UNIVERSITY (UT)
Bachelors of Science - Emphasis
in Graphic Design
Class of 2017
